Note: A brief summary of each person’s contribution to ALSC is provided overleaf.

# Proposed Life Members for 2021

**Tarquin Kloeden:** Nominated for 10 years of distinguished service to Adelaide Lutheran Cricket as a player, he has proven himself to be a skillful all-rounder for Adelaide Lutheran since his first season in 2008/09. As an allrounder, it is the dream to have a higher batting average than bowling average, and Tarks is one of the few players good enough to have achieved this. According to MyCricket, as a batter, he has scored over 2000 runs at an average of 22.94 with a HS of 95 and 13 50's. He rarely falls victim to LBW. Tarks has also taken over 150 wickets at 16 including 3 5-fas with his right-arm trickery. But more importantly than being a great allrounder for the club, Tarks is an all-round nice guy. He is one of those players who is available each week, trains regularly and turns up enthusiastic and ready to play. He is a great person to have in any cricket team.

**Finley Borgas:** Finley is nominated for 10 years of distinguished service to Adelaide Lutheran Cricket as a player and committee member. He started his career in 2011/12 as an opening batter, before taking on the challenge of batting at the most-important number 3 position, which his statistics suggest he favours significantly. He has scored 3366 runs at 31.4, including 2 centuries with a HS 159 in 2017/18. Interestingly, as a player who uses his feet so much, Finley has never been out stumped at Adelaide Lutheran. He represented CCCA at the national carnival, became club captain this season and has made contributions as a committee member including as the ATCA secretary for the four years our club has been in that association. Another reliable club person, Finley rarely misses a match, training session, committee meeting, working bee or club event.

**Gabe Malkin:** Gabe is nominated for 10 years of distinguished service to Adelaide Lutheran Cricket as a player and committee member. He began his career at ALSC in 2011/12, and in that time has bowled almost 600 overs, taking 108 wickets at an average of just under 22. These stats include two excellent five wicket hauls – both in the A Grade and on hard wicket – fantastic effort for a leg spinner. Gabe is also a handy lower-order bat with 1088 runs at 15.11 including four 50's. Clipper will forever be remembered by his teammates at the time as the player who clipped the ball off his pads to bring home the 2016/17 A Grade premiership. Gabe has played nine seasons for the club and served this season on the committee as our ASCA secretary. Gabe is another reliable, solid person to have at Adelaide Lutheran – he still turns up to almost every training session and most match days to support his mates.

**Matthew Knight:** Knighta is nominated for 10 years of distinguished service to Adelaide Lutheran Cricket as a player and committee member. He began his career in 2011/12 and in the 10 seasons he has been here, he has scored 2669 runs at 28.7, batting predominantly in his favourite position at 4. He has scored three centuries, 14 50's and like Tarks he never gets out LBW. His 60 wickets for the club at an average of 20 with one 5fa make Knighta a statistically very handy allrounder, sharing the stat of having a better batting average than bowling average with Tarks. Like all nominees, Knighta is a regular trainer, rarely misses a match and has sat on the committee as treasurer. Much like his batting, Knighta brings a great deal of organisation to his work as treasurer, meaning that people who are less competent in this most-important aspect of the club don't need to stress about it. A solid player, committee member and most importantly another all-round good bloke

**Angela Stubing:** Nominated for 10 years of service to Adelaide Lutheran Netball as a player, hitting her 100 game milestone last year, before playing for the club Ange joined us as a regular umpire in 2010. In the last 11 years Ange has been an active member of the club, umpiring on games days, scoring, attending functions, helping behind the bar and in the kitchen, as well as setting up and packing down. Ange has also served on the committee for a number of years as facilities, umpires and equipment rep. She lives and breathes Doggies, is always looking at ways to improve her game and strives to be the best player and club person she can be.
